

Bibliography of Publications Relating to the Birds of Pennsylvania, New Jersey, and Delaware 1942

COMPILED BY ROBERT NEWMAN AND QUENTIN KRAMER

- ARTHUR, EDMUND W. Wild Life Sanctuaries. *Cardinal*, 5 (8), 190-192, July 1942.—Brief descriptions of two recently acquired tracts in western Pennsylvania.
- ARTHUR, EDMUND W. Duck Hawk Winters at Pittsburgh. *Cardinal*, 5 (8), 193-194, July 1942.
- BAKER, JOHN H. Restrictions for Bird Watchers. *Audubon Magazine*, 44: 298-299, September-October 1942.—Most of the open coast of New Jersey declared out-of-bounds for birders.
- BEAL, F. E. L. Some Common Birds Useful to the Farmer. *Conservation Bulletin* No. 18, U. S. Fish and Wildlife Service. 28 pp., 1942.
- BENNETT, DR. LOGAN J. Timberdoodle History. *Pennsylvania Game News*, 12 (10): 12-13, 31, January 1942.—An interesting paper on the Woodcock. (Reprinted from *American Field*, August 2, 1941.)
- BENT, ARTHUR CLEVELAND. Life Histories of North American Flycatchers, Larks, Swallows, and Their Allies. *Bulletin 179, United States National Museum*. 555 pp., 1942.
- BRAY, CHARLES W., AND W. R. THURLOW. Temporary Deafness in Birds. *Auk*, 59: 379-387, July 1942.—Experiments on domestic pigeons in the Princeton Psychological Laboratory.
- CARTER, T. DONALD. Northern Pileated Woodpecker Eating Salmon. *Auk*, 59: 585, October 1942.—Near Boonton, New Jersey.
- CHRISTMAS BIRD COUNT. *Audubon Magazine*, 44, section 2: 19-26, January-February 1942.—Sixteen lists from Pennsylvania, ten from New Jersey, and two from Delaware.
- CHRISTY, BAYARD H. The Cardinal, The Bird Itself. *Cardinal*, 5 (8); 173-186, July 1942.—A worthwhile historical account of the iconography, nomenclature, range, nests, and habits of this familiar bird; two earliest pictures of the species.
- CHRISTY, BAYARD H. Barred Owl in Sewickley. *Cardinal*, 5 (8): 194-195, July 1942.
- COOKE, MAY THACHER. Returns from Banded Birds. *Bird-Banding*, 13 (1, 2, 3, 4), 1942.—Various records. Also includes a number of birds banded during 1941 but not previously reported.
- CONWAY, ALBERT E. Long-tailed Jaeger in New Jersey. *Auk*, 59: 307-308, April 1942.—Off Cape May Point, New Jersey, September 28, 1941.
- CRUICKSHANK, ALLAN D. *Birds Around New York City*. 498 pp., 36 illus., 1942. Handbook No. 13 of American Museum of Natural History, New York, \$1.75.—Gives status of all species occurring, or known to have occurred, in the region including New Jersey north of a line from Asbury Park to New Brunswick to Riegelsville.
- EICHOLTZ, JOHN P. Our Ducks. *Pennsylvania Game News*, 13 (6): 12-13, 30, September 1942.—Miscellaneous data emphasizing the economic status of ducks.
- EYNON, ALFRED E. The Season: New York Region, October 1, 1941 to February 1, 1942. *Audubon Magazine*, 44, section 2: 3-4, March-April 1942.—Many New Jersey records.
- FABLES, DAVID. Breeding Bird Census. *Audubon Magazine*, 44, section 2: 30-32, September-October 1942.—Report of 92 pairs, 38 species from pine barrens and cedar bog at Pine Lake Park, Toms River, New Jersey.

- FREMONT, CHARLES, HARRISON F. LEWIS, AND FREDERICK C. LINCOLN. Southward Migration of Greater Snow Geese in 1940. *Auk*, 59: 301-303, April 1942.—Includes data from Bombay Hook National Wildlife Refuge, Smyrna, Delaware.
- GRIMM, WILLIAM C. European Widgeon in the Pymatuning Region of Pennsylvania. *Wilson Bulletin*, 54: 50, March 1942.—Four records.
- GRIMM, WILLIAM C. The Bald Eagles at Pymatuning. *Cardinal*, 5 (8): 193, July 1942.—New nest built.
- GRISCOM, LUDLOW. The Changing Seasons. *Audubon Magazine*, 44: 121-122, March-April 1942.—Summaries of season reports with references to Pennsylvania and New Jersey.
- GROSKIN, HORACE. Banding Records at Ardmore, Pennsylvania. *Ebba Nus*, 5 (2), February 1942.—A tabulation of 1173 birds banded in 1941, and 62 returns recorded in 1942.
- GROSKIN, HORACE. Returns from Banded Birds. *Bird-Banding*, 13 (4): 182-183, October 1942.—Returns of special interest during fiscal year 1941-1942.
- HARPER, FRANCIS. William Bartram's Names of Birds. *Proceedings, Rochester Academy of Sciences*, 8 (4): 208-221, September 10, 1942.—A strong statement of the case for Bartram's names on the basis of the International Rules of Zoological Nomenclature.
- HEGNER, FRANK A. Henslow's Sparrow in Beaver County. *Cardinal*, 5 (8): 195, July 1942.
- HICKEY, JOSEPH J. Eastern Population of the Duck Hawk. *Auk*, 59: 176-204, April 1942.—Text of paper delivered before D. V. O. C. in 1941, with much Pennsylvania and New Jersey data.
- HOLZMAN, JAMES H., AND HASKELL B. CURRY. Gadwall in Center County, Pennsylvania. *Auk*, 59: 103-104, January 1942.—Eight observations at State College.
- HOPE, JOHN G. A Proposed Study of an Urban Bird Community. *Journal of the Philadelphia Council of Amateur Scientists*, no. 4: 7-9, October 1942.—Suggestions for advancing ornithology by intensive study of our bird "Acres of Diamonds."
- KALMBACH, E. R., AND W. L. MCATEE. Homes for Birds. *Conservation Bulletin* no. 14, U. S. Fish and Wildlife Service.
- KORTRIGHT, F. H. *The Ducks, Geese and Swans of North America*. 476 pp., 1942. American Wildlife Institute, Washington, \$4.50.—Describes with scientific accuracy every species of duck, goose, and swan inhabiting the waters of this continent. More than 200 line drawings, 100 maps, 36 full-page color plates by T. M. Shortt.
- KOZICKY, EDWARD L. Pennsylvania Wild Turkey Food Habits Based on Dropping Analysis. *Pennsylvania Game News*, 13 (1): 6-7, 1942.—Data accumulated as an aid in establishing range requirements.
- LATHAM, ROGER M. A Simple Method of Sexing Day-Old Ringnecked Pheasant Chicks. *Pennsylvania Game News*, 13 (1): 6-7, April 1942.—Laboratory experiments 95 percent successful.
- MCATEE, W. L. Local Bird Refuges. *Conservation Bulletin* No. 17, U. S. Fish and Wildlife Service, 17 pp., 1942.
- MERRITTS, HELEN V. Want Pheasants? . . . Keep Them Fed! *Pennsylvania Game News*, 13 (2): 9, 30-31, May 1942.—Contains valuable information concerning food habits of Ring-necked Pheasants; four statistical tables.
- NICHOLS, CHARLES K. The Season: New York Region: February 1 to October 1, 1942. *Audubon Magazine*, 44, section 2: 1942.—Many New Jersey records in each of four issues of The Season.
- PENNSYLVANIA GAME COMMISSION. The Ring-necked Pheasant in Pennsylvania. *Educational Pamphlet* no. 5, 1942.—Includes statistical history from 1915 to 1941 inclusive.
- PETERSON, ROGER T. Birds and Floating Oil. *Audubon Magazine*, 44: 217-225, July-August 1942.—Relates in part to the New Jersey Coast.

- POOLE, FRAZER G. A List of the Birds of Caroline County, Maryland. *Bulletin of the Natural History Society of Maryland*, 12 (4): 51-58, March-April 1942.—Status of 114 birds; followed by notes on Eastern Shore breeding records.
- POTTER, JULIAN K. The Season; Philadelphia Region: 1942. *Audubon Magazine*, 44, section 2: 1942.—The valuable, bimonthly analysis for this area.
- POUGH, RICHARD H. The Witmer Stone Wildlife Sanctuary. *Audubon Magazine*, 44: 201-205, July-August 1942.—The fall migration at the enlarged sanctuary at Cape May Point, New Jersey.
- RAND, A. L. Nest Sanitation and an Alleged Releaser. *Auk*, 59: 404-409, July 1942.—Observations of Catbirds and Song Sparrows at Riveredge Manor, New Jersey, indicate no special stimuli necessary to initiate removal of fecal sacs.
- REIMANN, EDWARD J., as told to DANIEL P. MANNIX. Bird Lovers Aren't Sissies. *Saturday Evening Post*, 16-17, 89-91, May 23, 1942.—Climbing cliffs and trees to band falcons and eagles. Includes first published color photographs of Bald Eagles on the nest. A note in Keeping Posted, page 4, tells how Mannix took the pictures, at Bombay Hook, Delaware.
- SHARP, BARTON, ELBERT NIXDORF, AND JAMES COHO. Status of Upland Plover in Lancaster County, Pennsylvania. *Auk*, 59: 108-109, January 1942.—A notable increase.
- SHARP, BARTON L. Evening Grosbeaks at Lititz, Pennsylvania. *Ebba Nus*, 5 (2), February 1942.—A brief account of observing eight birds on February 23, 1942.
- SHARRITT, GRACE V. Try Your Hand with Wood Ducks. *American Forests*, 48 (9), September 1942.—Methods for encouraging Wood Ducks to nest.
- SHEAFFER, LESTER. The Wild Turkey in Pennsylvania. *Pennsylvania Game News*, 13 (4): 10-11, 31, July 1942.—A brief history including description, haunts, and habits.
- SHILLINGER, J. E., AND L. C. MORELY. Diseases of Upland Game Birds. *Conservation Bulletin* no. 21, U. S. Fish and Wildlife Service, 32 pp., 1942.
- SHOEMAKER, COL. HENRY W. Wild Pigeons. *Pennsylvania Game News*, 12 (12): 18, 30, March 1942.—Passenger Pigeons over Harrisburg in December 1867.
- SMITH, ORRIE, AND EDWARD L. KOZICKY. Where did the Wild Turkey Go? *Pennsylvania Game News*, 13 (9): 6, 22, 28, December 1942.—A brief discussion of the seasonal movements of Wild Turkeys, with tips on locating habits.
- STONER, DAYTON. Longevity and Other Data on a Captive English Sparrow. *Auk*, 59: 440-442, July 1942.—Notes on a Bloomfield, New Jersey, bird.
- STUDHOLME, ALLAN T. American Woodcocks. *Pennsylvania Game News*, 13 (7): 12-13, 31, October 1942.—A very informative popular article.
- U. S. FISH AND WILDLIFE SERVICE. Attracting Birds. *Wildlife Leaflet* no. 201.
- U. S. FISH AND WILDLIFE SERVICE. Migratory Birds. *Regulatory Announcement* no. 6, September 1942.
- WHITACRE, B. L. How Many Hawks? *Pennsylvania Game News*, 12 (11): 12, 24, February 1942.—A two-month's survey of five species of nesting hawks and owls on an 8000-acre tract; detailed table.
- WOLFARTH, FLOYD P. Greater Snow and Blue Geese in New Jersey. *Auk*, 59: 303, April 1942.—Migration of 900 over Garret Mountain Reservation, Paterson, New Jersey.
- WOOD, DR. H. B. Why Number the Birds? *Pennsylvania Game News*, 13 (6): 20, 28, September 1942.—A popular article on the purpose of bird-banding.
- WOOD, MERRILL. Saw-whet Owl in Centre County, Pennsylvania. *Auk*, 59: 309, April 1942.—First county record; a wounded female, December 11, 1941.
- WORTH, C. BROOKE. What Killed Cock Robin? *Audubon Magazine*, 44: 41-47, January-February 1942.—An account of bird diseases, based principally on the author's studies in this area.
