THE COVER

The picture of the Immature Western Tanager on the cover of this issue was taken by Mrs. Leafie Watt of Franklin, N. J., and loaned to the D.V.O.C. by N. C. Wyckoff of New Hope, Pa. We wish to express our appreciation for this generous act.

An apology is due to Frank W. McLaughlin for the omission of credit for the very fine picture of a Common Tern which he loaned us for the 1951-1952 issue.
