

The Delaware Valley Ornithological Club extends its deepest sympathy to Mr. and Mrs. Lester S. Thomas on the loss of their son Rex, a former member of the D.V.O.C., off the north slope of Alaska in August, 1969. Rex was an ardent out-of-doors enthusiast and conservationist and at the time of his disappearance was actively engaged in fish population research for the Alaska Fish and Game Department.

In his memory a sum of money contributed by D.V.O.C. members has been forwarded to the University of Alaska in College toward the establishment of the Rex Thomas Memorial Scholarship. This scholarship is to be awarded for research in biological sciences.

The Delaware Valley Ornithological Club wishes to extend its appreciation to those who made contributions to the Club in memory of George F. Ingersoll, who passed away on February 10, 1970. These contributions have been deposited in the Club's general endowment fund and designated as the George F. Ingersoll Memorial Fund.
