

INDEX TO CASSINIA  
Numbers 1-52 (1890-1970)

Compiled by  
J. D'ARCY NORTHWOOD

The first four issues were published as Abstracts of the Proceedings of the Delaware Valley Ornithological Club.

The year references in the following index refer to the year on the title page, not to that on the cover. The two do not always agree.

There is an index to *Cassinia* compiled by John H. Arnett Jr. in 1944:44. This includes the first thirty-three numbers, 1890-1943. Another index covering the years 1944-1957 (nine issues) is in 1958:34.
