

AMERICAN KESTRELS NEED OUR HELP

THE AMERICAN KESTREL IS OUR MOST COLORFUL AND SMALLEST FALCON. THIS GRACEFUL FLYER IS IN SERIOUS DECLINE IN MUCH OF ITS RANGE AND THE REASONS ARE NOT UNDERSTOOD

- IN OUR REGION KESTRELS HAVE DECINED 88% SINCE 1966
- [ADDITIONAL DATA IS NEEDED ON THE KESTREL LIFE CYCLE TO IDENTIFY THE THREATS](#)
- THE DELAWARE VALLEY IS AN IMPORTANT AREA FOR KESTREL SCIENCE AND CONSERVATION – MORE MONITORED NEST BOXES ARE NEEDED

THE DVOC CONSERVATION PROJECT THIS YEAR WILL JOIN WITH THE [AMERICAN KESTREL PARTNERSHIP](#) OF THE PEREGRINE FUND AND [GREEN LANE PARK](#) TO BUILD AND MONITOR KESTREL NEST BOXES AND ENHANCE HABITAT IN THE PARK

- UNITES DVOC WITH LOCAL AND INTERNATIONAL CONSERVATION EFFORTS
- PROVIDES AN OPPORTUNITY FOR MEMBERS TO ENGAGE IN [CITIZEN SCIENCE](#)
- GIVES PARTICIPANTS A FUN WAY TO GIVE BACK TO THE BIRDING COMMUNITY

DELAWARE VALLEY
ORNITHOLOGICAL
CLUB

PLEASE DONATE

NO DONATION IS TOO SMALL BUT PLEASE GIVE AS GENEROUSLY AS YOU CAN. THE CONSERVATION PROJECT IS OUR CHANCE TO GIVE BACK TO THE BIRDS WE LOVE SO MUCH. FOR MORE INFORMATION ON PAST PROJECTS CLICK [HERE](#).

MAKE CHECKS PAYABLE TO 'DVOC' AND SEND WITH A NOTATION 'CONSERVATION TO:

DVOC Treasurer
c/o 1314 Lenore Road
Meadowbrook, PA 19046
