By way of introduction, tell us a little about yourself and your birding, such as how long you've been birding, how you got started in birding, and where you bird locally. Add any information you'd like to help us get to know you. For new members, this bio is placed on a personal page on the Club website, and can be updated as you wish.

- Submit completed applications to any member of the Club or mail it to the address listed above.
- After confirmation by Council, the new member will be welcomed to the Club.
- Dues are \$25 per year. The Club's fiscal and dues year runs from January to January.
 - People joining January through March, pay the full dues for the year (\$25).
 - People joining April through August, pay half dues for the year rounded to the highest dollar (\$13), and are covered to the end of the year.
 - People joining September through December, pay full dues (\$25), and are covered to the end the following year.
- Dues are \$10 per year for Junior/Student Membership. This category is available to students at the college level or below.

Information on meetings/programs, field trips, and other activities
