

# YES! I WANT TO SUPPORT THE NIKON / DVOC TEAM IN THE 2007 WORLD SERIES OF BIRDING!

**This is the primary source of our club's conservation funds!**

Last year we raised several thousand dollars to support the conservation of the Great Blue Heron rookery along Swamp Creek, Montgomery County, PA. This year we will be supporting additional important conservation initiatives.

The Nikon / DVOC's Lagerhead Shrike team members are experts in the game of "hit and run" birding. Seven times in the twenty-three years of the competition a DVOC team has won the grand prize - the Urner Stone Cup (highest total species identified).

They do their part; now it is **YOUR** turn. To make our club's fund raising effort the most successful ever, we need everyone's support in the form of pledges and contributions. Please get involved by using this form to make a pledge or a direct contribution.
