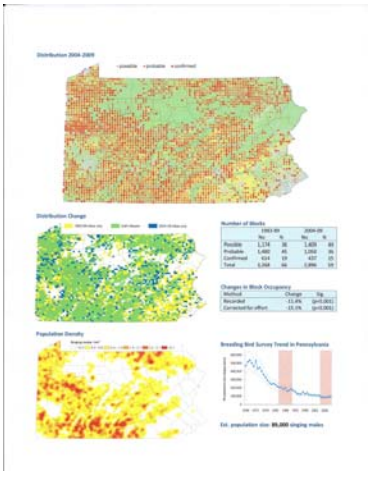
WORLD SERIES OF BIRDING PLEDGE FORM

YES! I WANT TO SUPPORT THE NIKON / DVOC TEAM IN THE 2011 WORLD SERIES OF BIRDING!

Every dollar raised supports local conservation!

We are pleased to announce that the 2011 DVOC World Series of Birding Grant will be awarded to the **2nd PA Breeding Bird Atlas**. DVOC members were a part of collecting the data for the atlas. Now we will be contributing toward its publication. This atlas will be the best yet. It will contain two full pages on each species. One page will contain distribution maps with comparisons to the last atlas, an invaluable conservation aid. The second page will have a picture and narrative analysis of population habitat and trends.



The Nikon / DVOC's Lagerhead Shrike team members are experts in the game of "hit and run" birding. Nine times in the twenty-six years of the competition a DVOC team has won the grand prize - the Urner Stone Cup (highest total species identified). Follow the adventure this year at the Lagerhead Shrikes blog -http://nikondvoc.blogspot.com/

They do their part; now it is YOUR turn. In order to support these worthy conservation projects, we need everyone's support in the form of pledges and contributions. Please make a pledge or a direct contribution today. And give a copy of this form to a friend!
